

LION HEALTH CHECK (LHS) COVID-19 PRE-SCREENING SYMPTOM TOOL AND HSS ON-SET CHECK-IN PROCESS

BEFORE ENTERING SET:

ALL PARTICIPANTS SHOULD COMPLETE THE LION HEALTH CHECK FOR EACH DAY OF FILMING **BEFORE** ARRIVING ON SET. THIS IS FOR BOTH ON AND OFF CAMPUS FILMING.

This document should be attached to all Call Sheets and the Lion Health Check link and on-set Check-in directions should be included on your Call Sheets.

If the Lion Health Check was not completed, the Health Safety Supervisor (HSS) can conduct the Health Check-In Process by asking the prescreening questions in person. The HSS will also document check-in and check-out dates and times on the [Health Check-in Sheet](#).

The Lion Health Check screening has changed for the Spring '22 semester. It is a pre-screening tool **and** is being used to collect VAX and Test Results. It is important that all SFTV cast and crew and non-LMU participants follow the directions below when submitting their Lion Health check.

1. The email you list below will receive the confirmation email clearing your campus access. This is **NOT** approval to come to campus. Approval for campus access comes from Interim Dean Alexander's office. Be sure to add **SFTV Film Shoot** to describe your activity.
