Dear Student,

You are scheduled for the following American Red Cross course:

Adult First Aid/CPR/AED

This blended learning course includes an online portion and an instructor-led classroom skills session. The online portion must be completed before attending the in-class portion. Most learners complete the online portion in approximately 1.5-2 hours. However, your experience may vary widely based on several factors including your PC, internet speed and previous training. I recommend beginning the online session as soon as possible to ensure you have completed it prior to the in-person skill session. The online portion must be taken on a PC or tablet with a high-speed Internet connection (see below for the complete set of PC/tablet requirements for this online course).

The in-person classroom skills session is scheduled for:

As Needed

Please be prepared to provide your instructor with proof that you completed the online portion using one of the following methods:
- Print your online course completion record available at the end of from the course and show it to your instructor – it will read "Proceed to Skill Session"
- Show your instructor the email you received confirming completion of the online portion
- Login to the online portion and show your instructor the completion status that appears above the "Launch Course" button

Access the online portion using the following link:

https://www.redcrosslearning.com/course/432d2340-4985-11ec-92ad-414a63f5d619

After creating a log in using your email address and a password, click "Launch Course" to begin.
