Other Services Offered By Our Department

*Please contact the Post Production help desk for access to these resources

DCP Creation

Color Calibration

Drive Recovery

Music Library -

- 1) Please use the Chrome browser and go to: www.TheSupervisor.com
- 2) Click on "Sign Up" (upper right)
- 3) Fill out the form, be sure to enter the "GROUP ACCESS CODE" at the bottom. The group access code for this school year is: **macguffin**
- 4) You can now sign in, search and download music for your LMU projects.

*IF YOU DO NOT ENTER THE GROUP ACCESS CODE FOR THIS YEAR, YOUR ACCOUNT WILL NOT BE ACTIVATED.

*If you previously had an account, you will still need to sign up for a new account for this school year. Accounts for previous school years are deactivated. You can use the same email address but will, however, need to use a new unique username.

Sound Effects Library -

The sound Effects Library is on the Avid Nexis server. Mount the partition "SFX" to your computer and copy the files that you need.
