## **Sony Props:**

## **Goodwill:**

Very cheap and useful resource to find all sorts of worn items. Closest Goodwill is located @ La Tijera Blvd (~10 minute car ride from here).

## **Amazon:**

Many Items can be found and cheaply returned within 30 days just make sure to not damage equipment. Might not be the best place to find worn out props.

## **Omega Cinema Props:**

Wide selection of props with a 25% student discount (requires a valid id and letter of proof from the school). Omega Cinema Props is located in Downtown LA (~30 minute car ride from here but 2x that in rush hour).

## **Universal Studios:**

Universal Studios has the biggest selection of property out of all the prop houses listed at a 15% student discount. However, they are farther away (North Hollywood ~40m without traffic but can get up to ~1h30m with traffic) and do not rent out wardrobe to students.
