POLICY

Should I lose, damage, or destroy any piece of equipment or fail to comply with L&G, I agree to pay all fines that L&G deems applicable. Such fines will be determined by the Production Facilities Supervisor and HOPA.

I understand that all equipment must be returned to L&G by 12 PM or the time of your scheduled return Monday. If brought back past that time, there will be a fine of \$40/hour up to \$200. I understand that I must return the order neat or face a "messy return" fine that will be assessed by the L&G of \$150.

I understand that once signed for, the rental is under my responsibility and becomes property of my production from the time of pick-up to the time of return. The person listed as Director will be fined even if the D.P., Gaffer, Key Grip, or another crew member signs off on the Director's project.
